Unison Prayer of Confession

Dear Merciful Father,

In this uncertain world, You do not change. Your promises to us remain true in all circumstances. We confess that when life becomes hard, we often turn our eye to our circumstances rather than keeping our focus on You. In Your mercy, please forgive us when we shift our focus away from You. Help us seek You in the midst of our struggles so we can continue to grow closer to You and receive the peace and joy that only You bring to our lives. We ask this in Jesus' Name, Amen.
